EV 101 Workshop for Local Governments

Hosted by
South Coast AQMD and South Bay Cities Council of Governments

- This workshop will provide information on resources available to initiate and streamline your EV program
- Agenda includes presentations from key stakeholders—automakers, charger manufacturers, utilities, customers and future drivers
- Local government panel highlighting the Local Use Vehicle (LUV) Pilot Project in South Bay, including research data on driver behavior and the need for public charging stations

Thursday, December 9, 2010
Juanita Millender-McDonald
Community Center
